Government of India
Dte. of National Vector Borne Disease Control Programme

Right to Information Act, 2005

2(a) the particulars of its Organization, functions and duties

The National Vector Borne Disease Control Programme (NVBDCP) is one of the most comprehensive and multi-faceted public health activities in the country and concerned with prevention and control of vector borne diseases namely Malaria, Filariasis, Kala-azar, Dengue and Japanese Encephalitis (JE). The Directorate of NVBDCP is the nodal agency for programme implementation in respect of prevention and control of these vector borne diseases. This Directorate provides technical assistance and support in terms of cash and commodity to the various states/UTs. The programme implementation is the responsibility of the states/UTs.

(b) The powers and duties of its officers and employees:

- The Directorate is headed by Director. He is delegated with the power of Head of the Department.
- The Director is supported by one Additional Director and Gr. A&B medical and non-medical officers.
- The duties of Director are:
  - to advise the Govt. of India on Malaria Control Strategy and lay down field procedures keeping in view the present technology and resources available, thus help in planning the policy of malaria control.
  - to carry out general supervision and coordination of NVBDCP activities all over the country and ensure its implementation as per Government policies.
  - to estimate requirements of insecticides, larvicide’s, other equipments for logistic support to the programme on national basis.
  - to procure and supply insecticides, larvicides, antimalarials etc., to the states according to the technical needs of the programme
  - to participate in the conferences, workshops and seminars at national and international level
  - to act as administrative head of the Directorate

The duties of other officers are enclosed at Annexure-I.

(c) the procedure followed in the decision making process, including channels of supervision and accountability.
The procedure in decision making is followed as per Govt. of India norms. The files are maintained in the section which is supervised by Office Superintendent or Head Clerk or the Chief Accountants. They are supervised by the officers.

(d) The norms set by it for the discharge of its functions.

As per GOI norms, the official duties are carried out.

(e) The rules, regulations, instructions, manuals and records, held by it or under its control or used by its employees for discharging its functions.

This is a subordinate office of Dte. GHS, M/o Health & Family Welfare and follows the GOI rules.

(f) A statement of the categories of documents that are held by it or under its control.

1. The administrative and technical files
2. The technical reports from states pertaining to malaria, filariasis, kala-azar, Dengue & Japanese encephalitis

(g) The particulars of any arrangements that exists for consultation with or representation by the members of the public in relation to the formulation of its policy or implementation thereof

As per GOI rules.

(h) A statement of the boards, councils, committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advice and as to whether meetings of those boards, councils, committees and other bodies are open to the public, or the minutes of such meetings are accessible for public.

As per GOI rules.

(i) A directory of its officers and employees

Copy enclosed at Annexure-II.

(j) The monthly remuneration received by each of its officers and employees, including the system of compensation as provided in its regulation.

Officers and employees are paid remuneration only in the form of monthly salaries amounting to Rs.12,22,901/- per month as detailed below :

Format, if any, for submission of information may be provided.

(k) The budget allocated to each of its agency, indicating the particulars of all plans, proposed expenditure and reports on disbursements made.

There is no such agency to which budget is allocated separately. The weekly statements of the expenditure are prepared and copy submitted to Under Secretary (Malaria), Ministry of Health & Family Welfare, Nirman Bhawan, New Delhi.

(l) The manner of execution of subsidy programmes, including the amounts allocated and the details of beneficiaries of such programmes.

Not applicable.

(n) Details in respect of the information, available to or held by it, reduced in an electronic format.

The web-based National Anti Malaria Management Information System (NAMMIS), developed under Enhanced Malaria Control Project (EMCP,) is been implemented throughout the country for quick reporting of epidemiological and other data and prompt response to the situation. The access to NAMMIS is restricted to authorized users at present.

(o) The particulars of facilities available to citizens for obtaining information, including the working hours of a library or reading room, if maintained for public use.

The Directorate of National Vector Borne Disease Control Programme has developed and maintains a website www.namp.gov.in for dissemination of information related to the various activities of the Directorate. Information is also provided on request by various stakeholders.

(p) The names, designations and other particulars of the Public Information Officers

There is no Public Information Officer in this Directorate

(q) Such other information as may be prescribed and thereafter update these publications every year.

Nil.
Duties of Addl. Director

1. General Administration (Personnel Gazetted and Non-Gazetted)
2. Controller of Accounts
3. Chief Welfare Officer
4. Sanction of the leave of staff and officers of Headquarters and Regional Officers upto the status of Joint Directors.
5. Will be overall in-charge of the Directorate of NVBDCP in the absence of Director, NVBDCP
6. All the technical files/ papers should be routed through Additional Director.

JOINT DIRECTOR (MEDICAL)

1. He will supervise the work of following divisions of NVBDCP
   - Assessment division
   - Kala-azar & J.E. division
   - Research & Training division
   - Stratification Cell
   - Tribal Malaria Project
   - *P.falciparum* monitoring cell
2. To coordinate all activities with WHO/UNICEF/World Bank etc.
3. To coordinate with all State Govt. regarding technical matter of NVBDCP.
4. To coordinate and conduct Inter State, Inter Country Border meetings and T.A Committee etc.
5. To assist Director in technical and other matters.
6. Any other duty assigned by Director from time to time.
**Assistant Director (Medical) – Post Permanent, Spl. Grade II Post**

a) In charge of planning section connected with (i) Budget and plan allocation for Directorate (ii) monitoring the expenditure incurred on NVBDCP and to the states/Union territories.

b) To work out release of funds to states on 50:50 basis and take out able follow up action to finalize such settlement of plan expenditure.

c) To monitor the staffing pattern in the states and union territories under NVBDCP and take suitable follow-up action.

d) Preparation of Parliament questions and correspondence relating to it and other subject related to Parliamentary bodies.

2. Feed back to the districts under intimation to the State Malariaologist highlighting.

3. To participate in the training courses of PHCs, Medical Officers, which is to be organized by the State Health authorities.

4. To assist the RD for monthly review of malaria, filarial, JE and K.A along with other health programmes as and when required.

5. He has to tour different areas as and when required by Regional Director.
RESEARCH OFFICER (Training & Mal.)

1. Technical supervision of Central Cross Checking Laboratory and malaria clinic of Dte. of NVBDCP.

2. Public relation and technical guidance on formulation of health education material and arranging publicity through media and laisoning with PIB.

3. Controller of Transport.

4. To liaison with all local health department like NICD, MRC, ICMR, NHFW etc.

5. Any other duties assigned by Director from time to time.

Central Coordinating Officer

1. Inter-sectoral coordination for effective anti-malaria/ anti-mosquito operations and environment management in Delhi.

2. To organize high level coordination meetings of the agencies involved in anti-malaria operations.

3. To supervise, guide and cross-check the different anti malaria operations/ measures within the Union Territory of Delhi.

5. Liaisoning the court cases/ Administrative matters

6. Technical assessment of UMS

7. Any other duties assigned by the Director from time to time.
Deputy Director (L&A)

1. Logistics
2. Insecticide Lab.
3. Stores
4. Technical Assessment of UMS
5. Any other duties assigned by the Director from time to time.

Assistant Director (Chemistry) Group ‘A’ – Permanent

1. To supervise the Insecticide Quality Control Units under the Directorate of NVBDCP located at different units of M/s HIL and its subsidiaries.
2. To supervise the Chemistry Quality Control Laboratory located at the Directorate of NVBDCP.
3. To ensure that the insecticides produced by public sector undertakings are tested for quality control and conforms to the standard before dispatch.
4. To conduct research and training in chemical procedures and techniques related to insecticide formulation and their quality control.
5. To periodically visit the peripheral units of Quality Control under the Dte. of NVBDCP.
6. To deal with the matters related to the quality of insecticides supplied/purchased by the State Govts.
7. To take all follow-up actions by correspondence, personal contacts regarding replacement of sub-standard insecticides, if any.
8. Any other duty assigned by the Director.
**Toxicologist**

a) to keep track of areas in the states where organophosphate/ carbonates are used as adulticide or larvicides.

b) To collect baseline data of the operations and also the inhabitant population in respect of cholines.

c) To carry out training of personnel in regard to precautions to be observed in application of G.P. compounds.

d) To ensure by visits to states/ districts that the precautions are observed.

e) To monitor the cholinesterase data of operations in householders.

f) To carry out studies on the insecticides in order to collect data on toxicity to human and animals for submission to Central Insecticides Board.

g) To collaborate in the studies I newer insecticides

h) Any other duty to be assigned by the Director.

**Asst. Director (Ent.)**

1. To assist the Dy. Director (Ent.) in monitoring of different aspects of entomological work connected with NVBDCP.

2. To scrutinize reports received from 72 zones regarding entomological work.

3. To put up comments for follow up action.

4. To carry out field visit wherever necessary in connection with entomological work and research.

5. To plan and scrutinize insecticide trial and assess its impact on vectors under the guidance of the Deputy Director (Ent.).

6. To participate in training programme of NVBDCP personnel.

7. Any other duties assigned from time to time by the Director.
Assistant Entomologist (Kala-azar)

a) To assist epidemiologist (Kala-azar) in compilation of the information and preparation of reports, charts, diagrams etc., received from endemic states in respect of Kala-azar and Japanese encephalitis also.

b) To undertake field visits for collection and identification of sand flies and Japanese encephalitis vectors.

c) To train personnel for collection and identification of sand flies.

d) To prepare protocol and scientific documents.

e) To assist epidemiologist in monitoring the kala-azar and Japanese encephalitis in India.

f) Any other duties assigned by the Director.

Entomologist (Central Cross Checking Organization)

a) To work as In-charge of laboratory which is equipped to carry out both entomological and parasitological work of Delhi area.

b) To identify mosquito and larval collection from the field, dissection of mosquito, susceptibility studies and also to conduct entomological surveys.

c) To look after parasitological work comprising of cross checking of blood smears examined by Delhi NVBDCP unit and other special survey status such as mass blood surveys etc.

d) To assist the Research Officer (CCCO) who is overall in-charge of this organization.

e) To assist Research Officer in training of technical personnel and preparation of training literature.

f) Any other duties assigned by the Director.
Deputy Asst. Director (Ent.)-2posts

1. To assist and to take part in training of technical personnel in entomology and preparation of training material.

2. To conduct entomological studies under laboratory and field conditions as and when required.

3. To undertake field visits in connection with the entomological work carried out in the various zones and to give on the spot technical guidance.

4. To undertake field visits in connection with the insecticides trial carried out in the field.

5. To scrutinize the periodical reports received from the entomological zones and put up comments.

6. Processing of entomological data received from the states and preparation of charts and more etc.

7. Any other duties assigned by the Director.

Deputy Asst. Director (Assessment) – 3 posts, 1 permanent, 2 temporary

a) Supervision of work regarding scrutiny, compilation and analysis of data received from the periphery.

b) Preparation of data for various periodic meeting.

c) Interpretation of data and other studies on various aspects of NVBDCP/NFCP.

d) Preparation of data for charts and maps.

e) To participate in training course for malaria officers

f) To assist the Asst. Director (Assessment) in preparation of annual reports and working notes for meetings and conferences.

g) Any other duties assigned by the Asst. Director (Asstt.), Dy. Director (Med)., and Director.
Deputy Asst. Director (Stores) 2 posts – both permanent (Abolished)

1. To assist the Dy. Director in budgeting, procurement and supply of material and equipment.

2. To coordinate with medical stores depots regularly for stores, accounting and distribution of material and equipment.

3. To liaise with DDT factory at Delhi and always to ensure that there is no held up of dispatches of insecticides etc.

4. To liaise with DGS&D and International Agencies for procurement.
