Deptt. of Health & Family Welfare

Ministry of Health & Family Welfare is giving financial assistance to the poor patients for treatment at different hospitals in all over the country under the following two schemes: namely –

- (i) Rashtriya Arogya Nidhi (RAN)
- (ii) Health Minister's Discretionary Grants (HMDG).

(i) RASHTRIYA AROGYA NIDHI (RAN)

1. Introduction

The Department related Parliamentary Standing Committee on Human Resource Development in their 31st Report on the functioning of the Central Government Hospitals under the Department of Health, had expressed concern about inadequate facilities for the treatment of poor patients for major illness. The committee felt that it was essential to explore all appropriate sources of funds to assist poor patients coming to AIIMS or other Central Govt. Hospitals for their **treatment of specific life threatening illness**. In view of the recommendations of the above Committee, it was decided to set up a National Illness Assistance Fund renamed Rashtriya Arogya Nidhi (**RAN**) under the Department of Health, Ministry of Health & Family Welfare. The Committee on non-Plan Expenditure in its meeting held on 17th October 1996 approved the proposal for setting up of the fund. Accordingly the Rashtriya Arogya Nidhi (RAN) has been set up vide Resolution No. F-7-2/96-Fin-II dated 13/1/97 as published in the Gazette of India (Extraordinary) and has been registered under the Society Registration Act, 1860, as an **autonomous Society**. This was set up with an initial contribution of Rs. 5 crores from Ministry of Health & Family welfare. The Fund could also be subscribed by individuals in India or abroad with the approval of FCRA, Corporate bodies in private or public sector, philanthropic organisations and all contributions made to this fund are exempt from payment of Income-Tax under section 80-G of Income-Tax Act, 1961.

2. Setting up of Revolving Fund:

The Fund will provide financial assistance to patients, living below poverty line who are suffering from major life threatening diseases, to receive medical treatment at any of the super speciality Hospitals/Institutes or other Government hospitals. The financial assistance to such patients would be released in the form of 'one-time grant', which will be released to the Medical Supdt. of the Hospital in which the treatment has been/is being received. In a bid to speed up the assistance to the needy patients, the Scheme has been modified in January, 1998 and an advance of Rs. 10 to 40 lakh has been kept with the Medical Supdts. of All India Institute of Medical Sciences (AIIMS), New Delhi, Dr. Ram Manohar Lohia Hospital, New Delhi, Safdarjung Hospital, New Delhi, Lady Harding Medical College (LHMC) & Smt. S.K. Hospital, New Delhi and Post Graduate Institute of Medical Education & Research (PGIMER), Chandigarh, Jawaharlal Institute of Post graduate Medical Education & Research (JIPMER) Puducherry, to enable sanction of an amount up to Rs. 1,00,000/- (as substituted from Rs. 50,000/- w.e.f. 02-06-2008) in each deserving case reporting for treatment in the respective Hospital/Institute. The advance amount would be replenished as and when the reports of its utilisation are received from the Hospital/Institute. National Institute of Medical Health and Neuro Sciences (NIMHANS), Bangalore and Cittaranjan National Cancer Institute, Kolkata, Sanjay Gandhi Post Graduate Institute of Medical Sciences, (SGPGIMS) Lucknow, Gandhi Memorial & Associated Hospitals (KGMC) Lucknow, North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences (NEIGRIHMS), Shillong, Regional Institute of Medical Sciences (RIMS), Imphal have also been given similar advances with suitable instructions to implement the Scheme.

3. Setting up of State Illness Assistance Fund

All State Govts./UT Administrations have been advised vide Ministry of Health & Family Welfare letter dated 11/11/96 to set up an Illness Assistance Fund in their respective States/UTs. It has been decided that grant-in-aid from Central Government would be released to each of these States/UTs (with Legislature) where such Funds are set up. The Grant-in-aid to States/UTs would be to the extent of 50% of the contributions made by the State Govts./UTs to the State Fund/Society subject to a maximum of Rs. 5 crores to States with larger number and percentage of population below poverty line viz. Andhra Pradesh, Bihar, Madhya Pradesh, Karnataka, Maharashtra, Orissa, Rajasthan, Tamil nadu, Uttar Pradesh and West Bengal and Rs. 2 crores to other States/UTs. The State/UT level Funds could also receive contributions/donations from donors, as mentioned for RAN. The Illness Assistance Fund at the State/UT level would release financial assistance to patients living in their respective States/UT up to Rs. 1.5 lakh in an individual case and forward all such cases to RAN, where the quantum of financial assistance is likely to exceed Rs. 1.5 lakh.

The following States/UTs (with Legislature) have set up Illness Assistance Fund:- Karnataka, Madhya Pradesh, Tripura, Andhra Pradesh, Tamil Nadu, Himachal Pradesh, Jammu & Kashmir, Maharashtra, West Bengal, Kerala, Mizoram, Rajasthan, Goa, Gujarat, Sikkim, Bihar, Chhatisgarh, Jharkhand, Haryana, Uttarakhand , Punjab and Uttar Pradesh and the NCT of Delhi and Puducherry.
