Vision, Mission and Objective Statement for MoHFW

Vision:

Attainment of highest possible level of health and well-being for all, through preventive and promotive health care and universal access to good quality health services without anyone having to face financial hardship as a consequence.

Mission

- To ensure availability of quality healthcare on equitable, accessible and affordable basis across regions and communities with special focus on under-served population and marginalized groups.
- To establish comprehensive primary healthcare delivery system and well-functioning linkages with secondary and tertiary care health delivery system.
- To develop the training capacity for providing human resources for health (medical, paramedical and managerial) with adequate skill mix at all levels.
- To regulate health service delivery and promote rational use of pharmaceuticals in the country.

Objectives

- To improve health status of the people through concerted action.
- To expand preventive, promotive, curative, palliative and rehabilitative services provided through public health sector with focus on quality.
- To progressively achieve Universal Health Coverage
